CHRIS CHRISTIE  
GOVERNOR

October 24, 2012

Dear Friends:

I am pleased to congratulate the community of Hopewell Borough on their municipality being selected as a Great Place in New Jersey by the American Planning Association – New Jersey Chapter.

This noteworthy recognition is a testament to Hopewell Borough's long and rich history and the well-preserved charm of its central thoroughfare, Broad Street. Years of planning and collaboration between elected officials, local businesses and residents, with the support of state grants, has revitalized Hopewell's business district and promoted entrepreneurship while keeping the Borough's unique beauty intact. I applaud everyone who has worked together to make Hopewell Borough a special place. Broad Street's newly-minted status as a "Great Street" is sure to attract many who have never experienced everything that Hopewell Borough has to offer.

Again, congratulations to all on this significant achievement and best wishes for continued success.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Christie".
